If you wish to be out of the sun you must provide your own 10'x10' tent. Some spaces on a windy day will be subjected to some mist from the fountain of the pond on a very windy day, this is unavoidable, so be sure you have a tent side if this matters to you. Parking is off-site. "Clean-up" deposit will be returned at close of show if vendor passes site inspection.

No import or commercial items will be allowed. Vendor will be asked to remove such articles from their tables. Only hand-made crafts will be allowed in this section. If you wish to sell commercial items a vendor application is available on our website.
